

We are also available to do Party Club training and fair ministry training. (The fair ministry training would be easily adaptable to any situation that you want simple yet fun evangelistic tools such as hand painting, object lessons or wordless book presentation.)

CHILD EVANGELISM  
FELLOWSHIP®

Since 1937

Reaching children worldwide™

**Helping you evangelize children.**

**Want your Christian Education Department to be more effective?**

**Do your teachers need encouragement?**

Child Evangelism Fellowship has training available to help your teaching staff become more motivated, confident and effective in their ministry to children. Inside this brochure are the training seminar topics available to be presented in your church.

The topics are listed by category with the main theme of each subject listed in bold and the title of the teaching segment in parenthesis underneath. Each teaching segment is designed to take approximately 40-50 minutes so three topics of your choice could be taught in a two hour workshop.
