HELLO

We are so excited that you are planning to host a *5-Day Club*. Whether this is your first time to host, or you have been hosting for years, **thank you**! We are honored to **serve together with you** to reach the children in your neighborhood for Christ, thus fulfilling the Father's will **"that none of these little ones should perish."**

Because **you** host a *5-Day Club*, not only will children (and hopefully their parents) hear the **precious Gospel of Jesus**, but also **you** will help impact the young people who will teach the club!

The *5-Day Club* is one of the primary tools we in *CEF* use to evangelize kids. This guide is designed to **help you be prepared and effective** as we partner together to evangelize the kids in your community. **Please** take time to read through it and be sure to reach out to us with any questions.

We are praying for you and cannot wait to see what God will do through **you** and your club this summer. **Thank you** again for partnering with us in the Gospel.

FOR THE LORD'S GLORY,
JONATHAN MUSGRAVE

5-DAY CLUB HOST GUIDE

5-Day Clubs are action packed Bible clubs for children ages 4-12. Each club includes games, Bible lessons, songs, prizes and snacks.

1 INVITATIONS

Pass the provided invitations out door-to-door a few days before club starts. Try and speak to someone in the house instead of just leaving the invite in the door. A social media kit has also been provided for each host. We encourage you to consider sharing the graphics on social media especially in any neighborhood or church groups.

2 CLUB SETUP

Set up includes a place for the children to sit and a table for teachers to place materials. Club can be held anywhere you choose. Having an inside option in case of intense heat or rain is important.

3 REGISTRATION

You should receive an attendance sheet in your host packet. You are welcome to fill this out as children arrive and have a *CYIA* student help if you have a large group. The purpose of the contact info is for your benefit so you can follow up. These sheets must be turned into the *CYIA* leader at the end of club or sent directly to our office.

4 SNACKS

Hosts are responsible for providing snacks for the kids. This is the last part of club and is a great time for you to get to know the kids. Snacks can be simple like cookies, fruit snacks, koolaid, chips etc.

5 OFFERING

During club we have a missions time. This time includes an offering. Kids have fun setting a small goal and are encouraged to do extra chores to earn money, but are never pressured to bring money to the club. Any money given goes directly to assist a missionary in another part of the world also reaching children with the Gospel. We are happy to skip taking an offering if you prefer.
